The Royal Malta Yacht Club will be presenting the Short handed Series Trophy to the boat that performs best overall in the IRC Category in the short handed races on the RMYC calendar, as specified in the points table below. The owner of a boat eligible for this trophy shall be a full member of the RMYC.

Race	Date	Points Factor

Round Gozo TH Race	June	1.5
Figure of 8 DH Race	December	2.0

Points will be awarded to each boat according to its overall position in each race, which will vary with the number of starters according to the table below and multiplied by the points weighting factor for the race. A boat scored DNF will be awarded 10 points which are not multiplied by the points factor. The points from the three races will then count for the award of this Trophy.
